TRUCK AND WHEEL

## WIPES AND TOWELS

# STEP 1

## DECONTAMINATION PROCEDURE

- Cleans in the time of need, refreshing and cooling post burn
- Durable and scrub-proof fabric made to withstand decontamination process
- Easily wipes away contaminants and carcinogens

# STEP 2

## GEAR RENEWAL PROCEDURE

- Biodegradable, fast acting pH neutralizer for helmets, face shields, goggles, and tanks
- Designed for your routine cleaning process for use on any nonporous surface
- Mixes and cleans quickly for faster turn around

## TRUCK AND WHEEL

# STEP 3

## VEHICLE PROCEDURE

- Safe for use on all factory tires and rims, cleaning your vehicle with ease
- It quickly removes brake dust, soot, grime and restores tires to black without damaging
- Removes harmful contaminants from truck bays, equipment areas, and high interaction points

# HEALTH BENEFITS DISEASE AWARENESS

FROM 2008 TO 2010, 32 PERCENT OF THE DEPARTMENT'S 2,000-PLUS ACTIVE FIREFIGHTERS WERE DIAGNOSED WITH SOME FORM OF CANCER.<sup>1</sup>

**RESEARCH FOUND IN FIREFIGHTERS, CANCERS OF THE RESPIRATORY, DIGESTIVE, AND URINARY SYSTEMS ACCOUNTED MOSTLY FOR THE HIGHER RATES OF CANCER SEEN IN THE STUDY POPULATION.<sup>2</sup>**
